If death was inevitable, he left the Democratic party! Here is a specimen would die peacefully, and not from torture, and of its malignity:

The Ecening Post evinces a chronic anxiety to differ with THE TRIBUNE-a circumstance which we are impelled to note, but do not deprecate. The Post is as welcor ne to its antipathies as to its affinities.

The Federal Constitution is in process of amendment-ian amendment su prorted by both throughout our country. To make this certain, dies and vote for the flag. They showed "Congress is authorized to en force this" inhibition "by apprepriate legis ation." In other words, wherever any State fails to maintain and secure the personal liberty of all its inhabitants, Congress is authorized and required nothing to do with the City Election. That to redress the wrong or supply the deficiency. party exists to maintain certain principles. This wa stated, some days since, in these words:

"The Constitutional Amendment sims at the abso coming contest. Some men are protesting the constitutional Amenariest aims at the absolute unconstitutional Amenariest aims at the absolute unconstitutional abalition of Slavery throughout the United States, but it does not stop here. Hitherto, the personal liberty and sivil rights of each oblives were held and enjoyed under the pretection of the States responsively; hereafter, they are to be upheld and for the sake of plunder, we should be inclined for the sake of plunder, we should be inclined.

Of the hysteries into which The Post is thrown by this averment the following is a fair exhibi-
